Thank you for taking the time to create your account. There is only one more thing to do before you begin booking any camps; please take a moment to check your email. You should receive an email within the next few minutes from us.  
In this email you will find a hyperlink. Please either click on it or copy and paste it into your address bar at the top of your browser. This will confirm with us that your email does in fact work before we begin communicating further by it. If the email does not appear, try looking in your junkmail... sometimes good mail ends up there.  
If you do not receive the email, please send an email to [SWOCamps@scouts.ca](mailto:SWOCamps@scouts.ca). From there we can work together to resolve any of your questions or concerns.  
Again, thank you very much! We are excited to hear how you are influencing our next generation of leaders. Remember, Scouts is the start of something great.
